## COMMANDER'S CORNER

Happy March American Legion Family

First, I would like to extend our heartfelt condolences to the families of three members we lost in the past couple months. Robert G Przanoski, Charles "Chuck" M. Gast, and Robert G Flory have been called to Post Everlasting. May your heart and soul find peace and comfort.

Thank you to those who joined in memorializing our fallen comrades.

As Legionnaires, our most sacred responsibility is to look out for each other and our fellow veterans. National Commander has called for a Buddy Check during our National Week of Calling around the Legion's 100th birthday as a way to reach out to members and former members who may need help. Perhaps they have been waiting for a personal call or visit to renew or rejoin. No matter their situations, we can do as our founders did by making personal contact with veterans in our communities.

If you have not paid your dues for 2019 yet, please do so as soon as possible, to ensure eligibility of the benefits afforded to members in good standing.

March 15<sup>th</sup> marks the 100<sup>th</sup> anniversary of the American Legion! We will be celebrating with a Corned Beef dinner at the post. Please join us in commemorating the birthday of this great organization you are all a part of.

As the weather breaks and the sun starts to shine (hopefully) we have lots of exciting events on the horizon at Post 703! Check out the Drop Zone section and we hope to see you soon!

Thank you for all you do!
